

TM 28-7D Area Water & Sanitary Sewer Facilities 09/29/2022

WATER & SEWER UTILITY DATA:
 The Utility data provided by the Augusta County Service Authority (ACSA) shall remain the property of the Augusta County Service Authority and may not be copied, sold, or provided to any other party in any form without the express written permission of the ACSA. The Augusta County Service Authority assumes no liability arising from the use of these maps or data. The maps and data are provided without warranty of any kind. The information in this map is not to be construed as a legal description. In no event will the ACSA be liable for any damages that may arise from the use of this map or the information it contains. See the 'BASE MAP DATA' disclaimer below for all other map layers.

BASE MAP DATA:
 Augusta County provides these maps and data sets as a public information resource for its citizens and other interested parties. Every reasonable effort has been made to ensure the accuracy of the information provided; however, the information contained within these files is NOT to be construed or used as a legal description. The information is believed to be accurate; however, accuracy is not guaranteed. By use of the information, the user agrees that Augusta County shall incur no liability for any errors or inaccuracies in, or omissions from, the information regardless of their cause, or for any decision made, action taken or action not taken by the user in reliance upon the information provided.

AERIAL IMAGERY FROM VGIN:
 Any determination of topography or contours, or any depiction of physical improvements, property lines or boundaries is for general information only and shall not be used for the design, modification, or construction of improvements to real property or for flood plain determination. See Section C of <https://law.lis.virginia.gov/vacode/54.1-402/>. Best efforts were undertaken to ensure the correctness of VBMP Orthophotography throughout the Commonwealth of Virginia; however, all warranties regarding the accuracy of the map data and any representation or inferences derived there from are hereby expressly disclaimed.
